Hello Scott,

Thank you for introducing me to Lilly Lake Farm CBD. In the past I have used Medterra CBD oil. At the time, I thought this was the best for me. Having now been using your CBD for over a month now, I absolutely love it. I love that it is water soluble and I can mix it in my morning water. I enjoy the orange flavoring which makes it taste great! When I took the Medterra brand CBD, by dropper under the tongue, the taste would linger, which I wasn't crazy about! The fact that yours has is no strong aftertaste is amazing. My main reason for taking CBD is because I work in a fast paced, high stress environment. Right now, I feel great! I truly believe it has helped me with my anxiety and stress management. I can't wait to see what else Lilly Lake Farm has to offer!! Kudos on a great product!!
